SWELL AUTO PARTY.

An automobile party was given last Tuesday evening by "Kid Million Bucks," to the following named bosom friends and congenial spirits. Messrs. J. M. Hightower, E. R. Page, Syl Jones, Bob Herford, O. B. Barker and E. K. Williams. The Cronin Auto Livery Co., furnished the machine, which was steered by George W. Weaver. To say that these young society gents had "one more time" is putting it mildly. The "Kid" is always there with the "Million Bucks."

Read the ad and not the bargains offered by A. T. Lewis & Son. You will find their ad on the 2nd page of this paper.

SUCCESSFUL FRUIT GROWER.

A few days ago J. H. Hines, a noted fruit grower of Grand Junction, sent six plates of apples to the agricultural exposition held recently in Wichita, Kansas, and was awarded two first prizes and three blue ribbons. Mr. Hines is the most extensive (colored) fruit grower in Colorado and has naturally received many congratulations on his recent display of fruit and on his well merited success, among them from the president of the board of trade and the mayor of the city. The Colorado Statesman extends congratulations to Mr. Hines and wishes him continued success in his chosen field of endeavor. Would that more of the colored people would follow in his footsteps.
